Can Do Rendezvous Fort Stewart, GA May 16-19, 2001

The Rendezvous for 2001 is set for May 16-19, 2001 at Fort Stewart approximately 35 miles from Savannah, GA. You can bet it will be hot at Fort Stewart at this time of year. LTC Steve Banach and his 3rd Battalion have already planned the event even though they are currently deployed in Bosnia. The Rendezvous Registration Form is located in the back of the Dragon. More info on the Rendezvous will be published in the March issue of the Dragon.

Hold still while I send this message.

Greetings from Bosnia-Herzegovina from the C Co. 3rd Battalion "Blacklions"! As part of Stabilization Force (SFOR) 8, C Co. and Task Force China, provide constant presence in the towns, villages, and the out lying country side of our area of responsibility. Our sole responsibility is to ensure that BiH maintains a safe and secure environment. Whether teaching mine awareness classes to local school children, conducting Traffic Control Point (TCP) operations to prevent demonstrators from reinforcing demonstrations in Brcko, executing marksmanship and Bradley crew training, the Blacklions lead the way. Day to day, you can find Blacklions conducting mounted and dismounted patrols in cities such as Brcko, Berka, and throughout the Brcko District, meeting with local mayors, police chiefs, and BiH military commanders, and providing assistance to locals who are not as fortunate as others. The soldiers of the China Battalion understand how important this mission is. Our soldiers will reflect on their experience in Bosnia and will be proud to have served in this company on an operational deployment in the Balkans.

Regimental History during the Boxer Rebellion

By Tim Stoy

Beginning where we left off in our previous article:

THE BOXER REBELLION

The Regimental Headquarters, Band, and First Battalion arrived in San Francisco on 16 July 1900. They immediately boarded the Transport "Sumner" and sailed for Nagasaki, Japan on 17 July. Later in July, Companies I, K, and L left their stations for San Francisco and went into camp at the Presidio. M Company also came from Fort McPherson at the same time. The First Battalion arrived at Nagasaki on 10 August. There they transferred to the Transport "Indiana", and sailed for Tientsin via Taku on 13 August. The Battalion arrived off of the Taku forts (already captured by the allies) on 16 August. During the latter part of the month, the Battalion reconnoitered and skirmished continuously over the same terrain where the 9th Infantry had lost 100 men KIA (to include their Regimental Commander, Colonel Liscum). Despite the fact that the Boxers had been dispersed several months before, numerous small bands of fanatics were still operating in the country.

About 1 September, Companies A, B, and D were assigned the duty of escorting junks carrying supplies up the Pei Ho River to Peking. After completing this mission, Company C took station at Tientsin Arsenal on 6 September, while A Company occupied Tongku on the 22d. Through the latter part of November the Battalion was engaged in almost daily expeditions against small bands of Boxers lurking in nearby villages. On 25 November the First Battalion was relieved from duty with the China Relief Expedition and on the 28th arrived at Tongku. There it boarded the Transport "Rosecrans" and arrived at Nagasaki on 4 December, then continuing on to Manila, arriving on 13 December.

THE PHILLIPINES, 1900-1902

After lying at anchor in Manila Bay for eight days, the Regiment sailed for Legaspi Province of Albay. On 24 December Headquarters, the Band, and C and D Companies disembarked and took station at Legaspi. The transport continued to Tabacco, where B Company disembarked. Company A continued on to arrive at Mauban on 29 December. From then until 7 November 1901 the company conducted patrols to track the movement of the insurgent General Cailles. On 7 November A Company moved to Bulan and remained there until 28 December. It then moved on to Sorsogon. It departed there on 5 March 1902 and arrived at Santa Elena, Samar on the 11th.

Company B remained at Tabacco until 30 July 1901, conducting patrols throughout that period. On 30 July B Company proceeded to the Island of Cataduran. After five months of heavy scout work the company left for San Jose de Lagamoy, where it was engaged in tracking down bands of head hunters. On 31 July 1902 B Company returned to the Regiment.

C Company remained at Legaspi until 28 January 1902, when it left for the Island of Catanduranc. During the period 18 April to 31 July the company successively garrisoned Tabaco, Gubat, Santa Rita, Tones Island, Quentigean Island, and Balangigo. On 31 July it proceeded to Catbalogan and joined the Regiment which was preparing to return to the United States.

D Company remained on duty at Legaspi. Between 14 April and 31 July 1902 the company occupied Nueva Cacera (now Naga), Sorsogon, Bulan, and Point Binatao. On 31 July it left for the Regimental assembly point at Cabalogan.

I'm writing a uncle's biography based on his numerous letters. He was PFC Johan S. Opheim who served with the Regiment from 1941 to August 28, 1944 when he was killed in Southern France. I am seeking all the information I can and would like to hear from anyone who may have served with him. One reference I have is a Alton A. Hovern who was with him when he was killed. Can anyone help me?

I am trying to contact anyone who served in Co. B from June 1951 through March 1952. I am not too good at recalling names, but one stands out, PFC Windsted. We were in the 60mm Mortar Squad. Most of our tour was in the area of Outpost Kelly, the Sugarloaf, Dagmar and Old Baldy. Any information will be deeply appreciated. Thank you.

I was wondering how many are still around that were at Ft. Lewis prior to Pearl Harbor.

I joined the Regimental HQ Company after completing basic at Camp Roberts in SEP 41. I remained with the Reg't in all the 3ID 10 campaigns and 4 amphibious landings. I remained with the Reg't through the cessation of hostilities in May 45. I returned home a couple months later on July 26, 1945. I was 22 when drafted. Now I'm 82. It would be interesting to know if any of the 15th from that era remain among the living.

Those I came in contact with have either passed away or communications with them has ceased. I'd like to hear from anyone serving in the Reg't at that time.

Editor's Note. Currently there are 27 members of the Association who served in the Reg't at or immediately prior to DEC 41. There are an additional 65 WWII members who did not report their dates of service.

My thanks to you and your associates for the work you do for the membership. I have always been very proud of my time served with B Company of the 15th Infantry and with the 756th Tank Battalion in Europe.

At age 77 I realize that my time remaining is limited. I wish you and your friends all the best. God bless you and continue to spread the word of the history of the 3rd and the "Can Doers." My prayers are with all the young folks serving in Bosnia and other trouble spots. They are the best.

This is the time of year that everything is springing forward. A new breath of life and time to be thankful that we have a God who never lets us down; we can depend on Him to be faithful and unlike man; He is always there when we need Him.

For some of us, we have had a very rough and trying year; we have faced the winds that have come our way and, although ruffled, we have survived. My prayer for each of you is that when these winds, or problems come towards you, that you ask your Heavenly Father to adjust your sails so that you may do His will and not that of your own.

It has been said that when all things are going well we may not hear God as He calls our name; at that time His call seems like a whisper. Then as our problems become more severe, we begin to hear His calling a little louder. It is not until we feel we cannot make it alone that we hear God's "loud" voice as He brings us to our knees, which is where we should have started in the first place.

Please remember that after a storm, the birds begin to sing again; and so can we. God was with us in Korea and I can assure you that He is still but a prayer away. God bless all of you.

**FRANCE ISSUES A CERTIFICATE TO HONOR
US VETERANS OF WORLD WAR II
THANK-YOU-AMERICA CERTIFICATE**

The Ambassador of France to the United States, H.E. François Bujon de l'Estang has informed acting Secretary of Veterans Affairs, The Honorable Hershel W. Gober, that the French authorities are issuing a certificate to recognize the participation of all American and allied soldiers who took part in the Normandy landing and contributed to the liberation of France.

The certificate is meant to express the gratitude of the French people to the soldiers who participated in the Normandy landing and liberation of France, on French territory and in French territorial waters and airspace, between June 6, 1944 and May 8, 1945. The certificate will not be issued posthumously. The ten Consuls General of France in the United States will issue the documents on behalf of the French authorities. They will do so in coordination with State Veterans Affairs offices, Veterans Service Organizations' national and states representatives and Veterans associations.

An application form can be obtained through Veterans Associations.

In agreement with the Acting Secretary of Veterans Affairs, The Honorable Hershel W. Gober, in each of the fifty states, the French Consulates General and State Veterans Affairs Offices, Veterans Service Organizations' national and states representatives and Veterans Associations will identify the eligible veterans, review and certify the applications, prepare the certificates and organize the ceremonies to present the certificate.

HAVE YOU HAD MAIL RETURNED?

We learned that some members submitted their Rendezvous Registration/Reservation Form in accordance with instructions in the January edition of *The Dragon* only to have their mail returned with a stamp by the US Postal Service as "Not Deliverable As Addressed" or other similar message. The address that appeared in *The Dragon* was correct when the January edition was published. However, CPT Purdom was blind-sided by a subsequent change imposed by the Fort Stewart Post Office requiring the address shown in the instructions for the Registration/Reservation Form in this edition. When the problem became known, a request was made to continue delivery to the old address. Although agreement was reached, some articles of mail may have been returned to sender. In two instances, members reported a problem to CPT Purdom by phone and were informed of the new address. If you have experienced a problem, please note the address as published in this edition and send your Registration/Reservation Form prior to May 1, 2001.

John's Message

Membership totals in our Association have continued about the same for the past couple of years. The make-up of the periods of service have changed somewhat. That is understandable in that the ranks of those representing earlier periods are thinning. Being a member of several other service oriented associations I am aware that such organizations experience the same situation that we do. All have various programs designed to recruit new members and retain old members. Studies of the effectiveness of these programs conclude pretty much the same results in that "Word of Mouth" is the most effective way of reaching both new and old. And at least three organizations have as slogans, "How to Get a New Member? ASK." If you know of a prospect, ask him to come on board. For your use you will see an application for membership form in each edition of *The Dragon*.

We are looking forward to the Can Do Rendezvous at Fort Stewart. Although LTC Banach and most of the 3-15 IN BN will not return from Bosnia until mid-April they have planned a most interesting event. The 1st BN from Fort Benning also plans to have as many attendees as they can. As you know the Rendezvous is normally scheduled as near as possible to the Regimental Organizational Day. For those attendees who were with the Regiment in 1946 you may be in for a special treat. Maylon "Clint" Taylor, a veteran from D Company, made a movie of the 1946 Regimental Organizational Day activities. He has converted it to VCR tape and provided it to the Association for whatever use desired. Plans are to show the tape at various times during the Rendezvous. He also has provided copies of unit orders directing the schedule and conduct of the ceremonies. The orders are signed by the Regimental Adjutant, who is none other than the prime mover in founding this Association and the Past Honorary Colonel of the Regiment, MG Maurice W. Kendall.

Other articles appear in this edition that I will not elaborate here on but would like to invite your attention to. These are Election of Officers and Constitution and By-laws Changes. If you are unable to attend the annual meeting at the Rendezvous you are encouraged to cast an absentee ballot. We'll count them too.

I was recently saddened by the death of an old friend. He was one of the "Greatest Generation", a WWII veteran and a man I respected so much. Another friend of his was unable to make it to the funeral but he sent as a tribute, a poem titled "A Veteran Died Today". It is not known if he actually composed it or not. Regardless, I think it very appropriate and with Armed Forces Day and Memorial Day just around the corner will share it with you as another item in this edition.

A VETERAN DIED TODAY

He was getting old and paunchy and his hair was falling fast,
And he sat around the legion telling stories of the past.
Of a war that he had fought in and the deeds he had done.
In his exploits with his buddies, they were heroes, everyone.

And though sometimes to his neighbors his tales became a joke,
All his buddies listened for they knew whereof he spoke,
But we'll hear his tales no longer, for old Bob has passed away,
And the country's a little poorer for a veteran died today.

When politicians leave the earth, their bodies lie in state,
While thousands note their passing proclaim that they were great.
Papers tell of their life stories from the time that they were young.
But the passing of a Veteran goes unnoticed and unsung.

Is the greatest contribution to the welfare of our land
Some jerk who breaks his promises and cons his fellow man?
Or the ordinary fellow who in time of war and strife,
Goes to serve his country and offers up his life?

The politician's stipend and the style in which he lives
Is sometimes disproportionate to the service he gives.
While the ordinary Veteran who has offered up his all
Is paid off with a medal and perhaps a pension so small.

It's so easy to forget them, for it is so long ago
That our Bobs and Jims and Johns went to battle, but we know.
It was not the politicians and their compromises and ploys
Who won for us our freedom that our country now enjoys.

Should you find yourself in danger with your enemies at hand
Would you really want some cop-out with his ever-waffling stand?
Or would you want a Veteran who has sworn to defend
His home, his kin and the country and would fight until the end?

He was just a common Veteran and his ranks are growing thin
But his presence should remind us we might need his likes again.
For when countries are in conflict, we find the military's part
Is to clean up all the troubles that politicians start.

If we cannot do him honor while he's here to hear the praise.
Then at least let's give him homage at the ending of his days.
Perhaps just a simple headline in the paper that might say:
OUR COUNTRY IS IN MOURNING FOR A VETERAN DIED TODAY

Associate Member of the 15th Infantry Regiment Association. My husband was so proud to be on of the "Old China Hands". He served in Tientsin during the uprising. I lost him in January 2000. We would have been married 60 years in September. He was looking forward to going to this year's reunion.

On the 28th of September I had my 85th birthday. So I am enclosing payment to become a Lifetime Associate Member.

Just a short note with my application for membership to tell you something of my short time spent in the 15th Infantry Regiment. I enlisted in the Army in October 1940 and joined Company B, 15th Infantry five days later. I left CO B in April 1942, "cadre duty". It was a sad day to leave my old Company but the choice was not mine to make. I served in the E.T.O. with another Infantry Division until discharged in 1945. I was a Buck Sergeant when I left the 15th. Retired as a First Sergeant.
The 15th has always been my home unit.

I have been trying to find the men I served with in Service Company, back in 1945 into the first part of 1946. We were in or near a hospital in Wurzburg, Germany. I had been sick with the mumps and was taken there. I was originally with Company H and transferred to Service Co. The hospital caught fire in the kitchen and they took us outside. It was cold weather. The VA says there is no record. Please help me find anyone who may have been there.

I was stationed with F Co. from Oct45 to JUL46. I'm looking for information of anyone stationed the F Co. during that period of time. I was Co. clerk for a good portion of that period. Is there any information regarding personnel of that Co. at that time and there present whereabouts.
